Second Hand Uniforms

Our PTA sells second hand uniforms at the beginning and end of each term and a reminder is sent home to advise you of the exact date.

Footwear

- Summer
Black Traditional School (Roman) sandals or McKinlay styles.
- Winter
Black School Shoe. Lace up or Mary Jane style (for girls), for junior children a Velcro fastening is acceptable. We do not specify a particular shoe style that you must buy, however we rely on your common sense in choosing a 'school' shoe rather than a 'trainer'. Please see our visual guidelines on what is an acceptable school style.

Other Information

All clothing and footwear should be clearly marked with your child's name. Lost Property is located in the two containers just inside the Hall Foyer. You are welcome to check Lost Property at any time.

You may wish to supply an old shirt to protect your children's clothing during artwork sessions.

Watches and simple pierced earring studs are acceptable but no other jewellery may be worn. Nail polish may not be worn. Hair accessories should be simple and match the uniform ie. Black, Blue, White.

Our school uniform is seen as an important part of our school culture and students are expected to wear the correct uniform at all times including when they leave school each day. Please support us in this.
