

# FUTURE

Making a brighter future for New Zealand

# HOUSING CRISIS

**New Zealand has been struggling with housing for too long. We will put a stop to this! Children are suffering with no shelter, a majority NZ's younger generations are living on the streets**

**We will try to give every  
person a home in NZ**

# Housing prices

**The number of sales in May was down 27.5 per cent in Auckland compared to the year before, and 13.6 per cent across the rest of the country.**

**Future party promises to lower prices for houses in Auckland and over provinces.**

Approximate Boundary Indication Only

## HOLIDAYS

**Future party believes that school children deserve more holiday time to spend with their families and time away from school. This will give children a better rest and hopefully help them to do better at school when the time comes?!?!?**

# Money / Taxes

**GST in New Zealand is designed to be a system with few exemptions. Exceptions that do exist include rents collected on rental properties and donations.**

**Future party promises to tax less from the richer people but still help the peoplem who physically cannot work to earn their own money.**

# EDUCATION

- WE WILL PAY TEACHERS HIGHER. EDUCATION IS VITAL.
- GIVE THEM MORE TECHNOLOGY - E.G IPADS, CHROMEBOOKS ETC

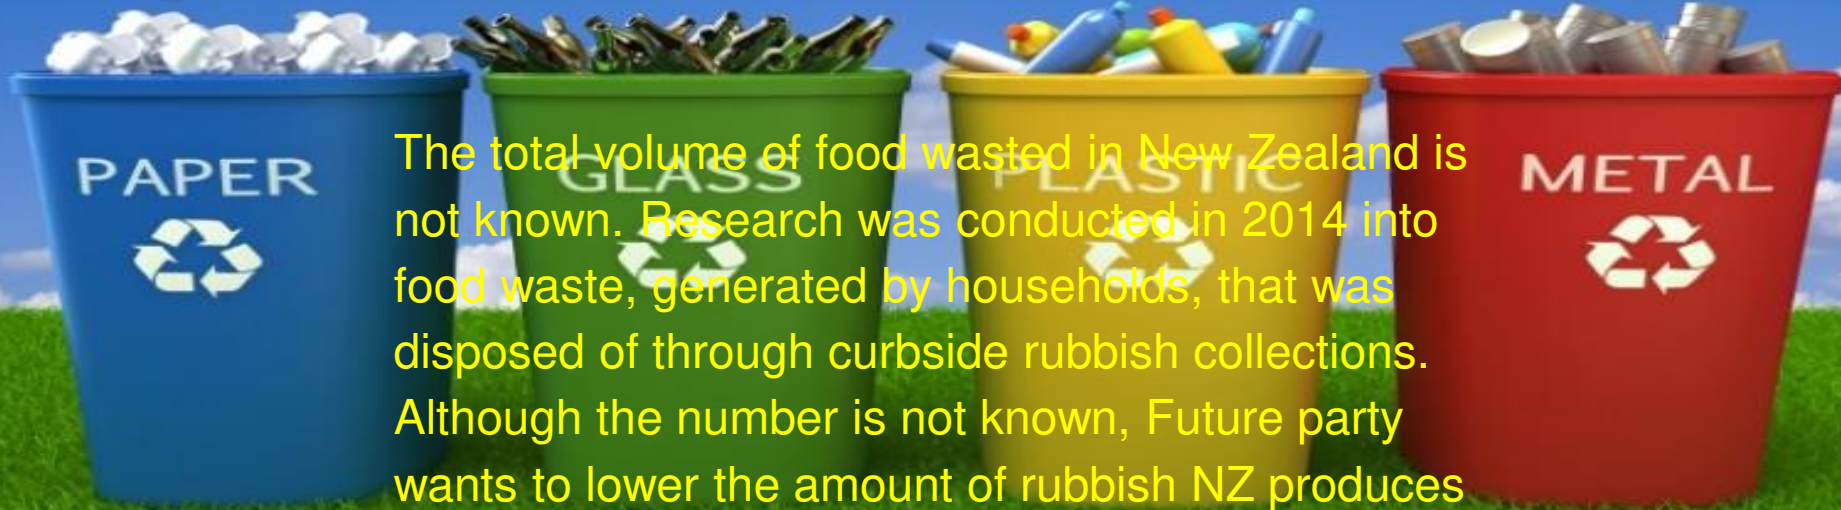

An underwater scene featuring a large sea turtle swimming towards the left. Several small, bright yellow fish are swimming around the turtle. The background is a deep blue ocean with some darker fish visible. The text is overlaid on the left side of the image.

## The Environment

Future Party will take care of the environment and support farming. New Zealand gets half its money from farming so we need to take care of both by using environmentally friendly methods of farming. Future Party loves the environment and will work hard to keep it green.

# Recycling

The total volume of food wasted in New Zealand is not known. Research was conducted in 2014 into food waste, generated by households, that was disposed of through curbside rubbish collections. Although the number is not known, Future party wants to lower the amount of rubbish NZ produces as much as we can.

A night view of a city skyline, likely Auckland, New Zealand, featuring the Sky Tower illuminated in blue. The city lights are reflected in the water in the foreground. A dark grey semi-circle is visible in the top left corner.

## No traffic

Future party wants to reduce traffic in New Zealand almost entirely so we have less pollution in the air and less accidents on the road

## CHEAPER FOOD

Future party promises to lower the prices of food in the make it more affordable to less wealthy people in New Zealand

Future Party wants to do a lot of things for our community here are just a few of our priorities....

## Hospitals

We will give them more money to work with and recruit more doctors nurses and surgeons.

# Businesses

We will create more job opportunities for poorer people so they can earn money to educate, feed and house their families.

**Future Party will make sure that a majority of all the food shipped to nz is not Genetically modified and is absolutely organic.**

THE END

THANKS FOR WATCHING
