

The background features a dynamic, multi-colored particle trail that curves across the frame from the bottom left towards the top right. The particles are small, irregular shapes in shades of red, orange, yellow, green, and blue, creating a sense of motion and energy. The overall effect is reminiscent of a comet's tail or a galaxy's structure against a deep black space.

The Policy Party

By Mackenzie, Hannah and Lily

Our Policies

- We will give money to families in need, family members for funerals and pay to start up more companies so that people can have jobs.
- We will fundraise for those who have nothing to live on and every cent will go to them.
- We will start a charity and that money will go to pay back the government for what we owe.
- We will build more houses with the money we have been given and give some houses for low, affordable prices.
- With the money we have been given, we will give schools more money to

Our Policies

- We will get money from the taxes people pay to create new drains so that no rubbish can fall into it and float out into the sea where it could kill animals.
- We will hire a team of cleaners to tidy up the beaches to make them litter free so that they have no rubbish floating around.
- We will create a futuristic fake turtle that swims and collects rubbish by eating it and when it is full it comes to the surface to be picked up by a boat.
- We will do our best to clean the environment and keep wildlife safe.

Our Policies

- We will collect cans that are not out of date and give them to those who can't afford to pay for anything to eat or drink.
- We will make a free market for those who are poor and provide them with blankets, mattresses, clothes and much more.
- We will create places to stay for those who are homeless so they can live an easier life and not get sick.
- We will support and give money to orphanages so that the children inside can have everything they need.

Our Policies

- We will plant more trees and plants so that wildlife can still live in peace and not lose their homes too.
- We will build a wildlife centre where only the staff will be allowed, the animals will be looked after in a habitat they are used to and will live like they would in the wild.
- We will donate money to churches to help pay for anything they need.
- We will make sure strays found on the streets go to good homes and get treated well and with respect.

Our Policies

- We will bring in qualified teachers to talk to the children about honesty and trust and how important it is.
- We will build monorails so that anyone that has a job can get to work on time and keep everybody happy.
- We will give farmers free water supply so that they don't use up all their money on water.
- We will import and grow more organic food so that we can stop obesity and greediness.
- We will save land so that farmers have room for their crops to be planted and for
