

we will Rock NZ'S World

What is party rockers

Party Rockers is a party that will help NZ get back on track. We will provide New Zealanders with food, water, jobs, education, houses and much more. We will help the Police and Services.

I hope you enjoy our argument!

We will provide more jobs.

We will provide more jobs. We will provide homes for homeless people and for the poor. More jobs means more tax, more tax means NZ will get more police and services which makes everyone in NZ feel safe.

We will make house prices lower

The Party Rockers will make homeownership easier for all New Zealanders. Every New Zealander deserves a warm and healthy home to live in and raise their families.

We will source good food for you ★

We will source and provide good, fresh food for NZ. We will make food cheaper so there is no hungry people. Good healthy food will give our kiwi kids less chance of getting diabetes, good healthy food will help kiwi kids to learn better in school. All New Zealanders will have 3 meals a day. ★

We will support our Farmers

We will financially support Farmers to produce the best milk, butter, fruit and vegetables. We will make sure that farmers get paid the best prices for their produce and can produce enough for all. Party Rockers will feed the hungry and house the homeless.

Provide more Police and Services ★

We will provide more police, ambulances, hospitals, dentists, firemen, teachers and schools. We will provide healthcare and education for all. The Party Rockers will keep all New Zealanders safe and healthy. We will tax the rich more but give them more protection In emergencies. ★

We will look after the environment

The environment needs to have life, greenery and trees to give NZ beauty. So one day maybe we could be known for being a waste free country if we recycle and use trash for cool things like a can rocket ship. And loads of other cool things. The Party Rockers promises to keep New Zealand green.

We promise to keep NZ's water clean

We will help farmers make a change. Our party will clean up New Zealand's water ways. We will help make companies find better ways of doing business. we will charge for water that goes outside NZ [except for people who need it] New Zealand's water is precious.

We will help poor get back on track ★

The Party Rockers will help everyone into jobs. We will provide training and education and support in their jobs. ★

No more poverty, No more hunger! And no more homeless people. We will set up shelters for the poor and homeless. we will get cloths and take care of our their needs we will help them

"No one has ever become poor by giving"

We will set up more solar panels

We will set up more solar panels in schools, hospitals and more we will get enough power to supply us for at least 10 years.
