

Signing up to Kindo for PTA Payments

Hi, and welcome to Mt Carmel School

Our PTA are an integral part of the school where we facilitate the running of fundraising and community building events, as well as manage the **weekly school lunch orders (on a Friday)**, the Scholastic book orders, the Second Hand School Uniform Shop to name a few.

To make life simple for our parents, we have an **online ordering system** which allows you to easily make payments directly to the PTA for lunches and event tickets. It takes away the need to send cash along to school with your children, with the exception to events such as mufti days (gold coin donations) or a except for mufti days and sausage sizzles.

The system we use is called Kindo. It is very intuitive and straight forward to set yourself up with an account. Your user name is your email address and you get to set your own password. You can easily transfer money to your Kindo account by directly transferring from your bank account (real time transfer, free of charge) or by credit card (small fee applies). Note: the lunch order system is known as EZlunch which is powered by Kindo. You only need a Kindo account.

To set your Kindo account up

Visit: <https://shop.tgcl.co.nz/shop/>

Simply follow the prompts to set your account up.

Once done, remember to select the classroom (prompted by class name and teacher name) for your child(ren) (very important if the lunches are to arrive at the correct classroom! You only need to set this up once a year.

If you are using Kindo to purchase tickets for an event please note there are no paper tickets issued. Your name (as it appears on Kindo) will simply be 'on the door'.

If you have any questions, you can either get in contact with Kindo helpdesk on 0508 4KINDO alternatively you can get in contact with the PTA via mtcarmelpta@gmail.com
