Strategic Plan 2024 - 2025

Information used to develop this plan:

This plan reflects the priorities identified by the staff, Board, whānau and community through consultation during 2022 and 2023. We collected data from surveys of children, whānau and staff as well as meetings held with whānau to gather our community voice. At the end of each year we collate and analyse our data for areas of achievement and identify goals for the school.
